All transfer stations are closed on Christmas Day, Boxing Day, New Year's Day and Good Friday.

**Transfer stations are for Baw Baw Shire ratepayers and residents only. Payments can be made in cash, credit card or EFTPOS. Cheques not accepted.**

## More information

For more information about the hard waste and bundled prunings collection or to book a collection, please phone our contractor WM Waste Management Services on **1800 969 278** or visit [www.hardrubbishmelbourne.com.au/baw-baw/](http://www.hardrubbishmelbourne.com.au/baw-baw/)

## Additional collections

Households are entitled to one free hard waste collection per financial year, however, additional collections (more than one per year) attract a collection fee. Please phone **1300 229 229** for more information about fees for additional collections.

## Hazardous waste

For information about disposing of asbestos, please phone the Environment Protection Authority on **1300 372 842**.

## Transfer stations

Baw Baw Shire residents can take gas cylinders, engine oil, batteries and paint. Please note, fees apply for the disposal of some items, as well as for the disposal of tyres at our transfer stations.

## Booked Hard Waste Collection Service.

### Booking confirmation

Your hard waste collection will occur the week beginning:

---

Please place your hard waste material out for collection by **6.00am Monday**.

# Instructions

Thank you for booking your hard waste collection. Please follow the instructions below to ensure that you are putting out hard waste correctly.

**1** Only put out items included on the 'yes' list.

**2** Place items in a neat pile on your nature strip on the weekend immediately before the collection week. Items must not be placed out any earlier than seven days before your scheduled collection week. Please note, your hard waste cannot be more than two cubic metres and each item should be easily lifted by two people. Materials over two cubic metres will not be collected. Please note, carpet must be rolled and tied (a maximum of one roll that can be lifted by one person).

If all of your items are removed by scavengers before your collection week, please call the contractor on 1800 969 278 during office hours, Monday to Friday, 8am to 5.30pm to cancel the booking and avoid losing your collection entitlement.

**YES**

**NO**

Car tyres (maximum four) or 4WD tyres up to 35 inch, no Truck tyres

Electronic equipment such as TVs and DVDs

Glass and china (securely wrapped and labelled 'glass' or 'china')

Branches and prunings (tied and separated from other materials) less than 1.5 metres in length

Timber (no longer than 1.5 metres and no more than 10 pieces)

Washing machines, stoves and fridges with doors removed

Scrap metal, car parts and lawn mowers

Mattresses and bed bases (maximum of two)

Paint tins (empty with lids removed)

Furniture and household appliances (includes carpet, no more than one roll that can be lifted by one person)

Batteries of any type (including car batteries).

Motor oil and engine blocks

General garden waste (other than branches/prunings), soil or earth

Household waste and recyclables

Building and renovation materials including cement sheeting or fences

Asbestos and other hazardous waste

Gas cylinders

Dangerous goods including household chemicals and pesticides

Your items will be collected by up to three collection vehicles to maximise recovery. All material collected (including compacted material) is taken to a materials recovery facility at Knox Transfer Station for storing and recycling.
