Disposing of Items on the No List
Other services are available for unwanted household goods that cannot be disposed of through the Ring and Book Hard Waste Collection Service.

Residents can take bricks, rubble, concrete, engine oil, batteries and tyres to the Whitehorse Recycling and Waste Centre, corner Burwood Highway and Morack Road, Vermont South. Fees apply for some items.

Residents can take paint, motor oil, batteries, barbeque gas cylinders and fluorescent tubes to the nearest Detox Your Home location at Monash Waste Transfer and Recycling Station, 380 Ferntree Gully Road, Notting Hill. Visit www.resourcesmart.vic.gov.au or phone 1800 353 233 for more information.

For information about disposing of cement sheeting and asbestos, contact the Environmental Protection Agency on 1300 372 842.

Additional Collections
Households are entitled to two hard waste collections per financial year (as part of Council rates). You can book additional hard waste and bundled prunings collections during the year; however, additional collections (more than two per year) attract a collection fee. For information phone 9721 1915 about fees for additional collections.

Please note, you can also choose to take items in working order to local charity shops or recycle them through Council’s Renew Collection held in May/June each year.

More Information and Booking
For more information about the hard waste and bundled prunings collection or to book a collection, phone the contractor WM Waste Management Services on 9721 1915.

Whitehorse City Council's Hard Waste Collection Service has changed to a ‘ring and book’ arrangement.

Benefits of the service include:

- The flexible booking allows residents to book two collections per financial year at a time convenient to them
- Streets will look tidier because the collections will no longer occur on mass
- Dumping and scavenging of materials will be greatly reduced.

Follow the steps below to book your collection.

1. **Phone Council’s contractor on 9721 1915 by 3pm Thursdays to have your hard waste collected the following week.**

2. **Tell the contractor what you wish to put out for collection including: TVs, fridges/freezers, garden prunings, mattresses or scrap metal.** Please note, your hard waste cannot be more than 3 cubic metres and each item should be easily lifted by two people.

3. **Once you’ve booked the collection, the contractor will send you a pack with further instructions and an orange ‘BOOKED’ sticker to place on your hard waste.**

Most of the materials collected through the Ring and Book Hard Waste and Bundled Prunings Collection Service will be recycled.
